

HAND Meeting Minutes 5/19/2015

5/19/2015, 7:00 pm

Chair: Sue Pearce

Board Members Present:

Joanne Stainbrook
Liz Potter
Bill Crawford
Marilee Tillstrom
Patrick Vinograd
Paul Coleman
Dave Kaplan

Call to Order
Introductions

Neighborhood Response Officer Report - Leo Yee, PPB

Car prowls
Auto/bicycle/pedestrian conflicts on Clinton

Powell High Crash Corridor - Shelli Romero, Nate, ODOT

Safety project from SE 20th to SE 34th - 3.8 million
Dedicated left turn signal on SE 26th
3 rapid flash beacons with pedestrian refuges
(SE 24th, 31st, 34th)
ADA ramp improvements
Public process late this summer
28th crossing is still awaiting approval by state traffic engineer
Jurisdictional transfer - finances are sticking point
Tree code interferes with tree removal/pruning?
ORS apparently makes speed limit change not feasible?
State freight route makes lane width 12 feet minimum?
Long term traffic projections?

Powell/Division Rapid Transit - Dana, Radcliffe - TriMet

Next high capacity transit project
Incorporating land use study with transit planning
Still considering crossover from Powell to Division - 82nd most likely, considering 50th/52nd
Starting construction 2018
Electric buses are being considered
Lots of ideas being considered for dealing with lack of right of way from 12th to 39th
Flyovers, median change, reversible lanes

Ross Island Bridge Painting Project - Ann Presentin, ODOT

Prep work beginning in June, Sand-blasting beginning July

Lane closures but no bridge closures
Any sidewalk closures will have flaggers to allow pedestrian access

Permit Parking - Jay Rogers, PBOT

Mini-Area Parking Permit Program
Permits are \$60/year each
Letter from neighborhood association is required
No guaranteed enforcement frequency

Right 2 Dream Too - Trillium Shannon, Ibrahim Mubarak

Currently at NW 4th and Burnside
Proposed to move to SE 3rd and Harrison
Provide safe place for houseless to sleep unbothered
Connect them with resources to become productive
24 hour security provided by members
Provide men's tent, women's tent, couple's tent; transgender/same-sex friendly
Always find space for people escaping domestic violence
Since 2011, 250 people have found housing, 235 employed, 17 women able to keep babies, 35 quit extensive drug habits
Teach dietary skills, maintenance skills, independence
Average length of stay? some for a night, some for multiple years, become leaders and members
Suggestion that moving away from downtown will decrease visibility, out of sight out of mind
Won't increase capacity with move to SE, but would like to add sites in other places where houseless are located
Decision to move is not final - Right 2 Dream Too is concerned about access to services, toxicity of land

Orange Line Opening

Event planning for September 12 ongoing
Preview Ride June 11

Oil Trains

To be discussed as a topic at a future meeting

SE Quadrant Plan

Consensus discussion of topics of interest to neighborhood:
Protection for residences in industrial district
Same issue for area S of Clinton between 12th and 21st
Traffic management on SE 11th and 12th
Greenway bike route around city
Zone change in Clinton Triangle area, allowing mixed use
Advocate affordable housing on Fire Station property

Announcements

Missing 14 year old girl

Thank you from Hosford Middle School for donation, participation in 5k
Bike to shop week on Clinton
